## Welcome to Southwest Family Dentistry!

Welcome to our practice! We are genuinely pleased that you have chosen us for your dental care. Our practice realizes the importance of referrals and we value them greatly. We are always excited to see new smiles coming through our door!

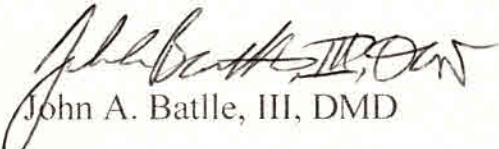

At your first appointment Dr. Battle will complete a comprehensive oral examination. This includes a complete review of your medical and dental history, all necessary x-rays and intraoral photos, oral cancer screening, periodontal health evaluation, and examination of your teeth and soft tissues. Following this exam, Dr. Battle will discuss his findings with you, develop a treatment plan that you are comfortable with, and then you will be scheduled according to your needs.

It will save you time at your appointment by printing and completing the new patient registration forms that are on our website. Or if you prefer, we can mail or email them to you. If you have dental insurance please be sure to provide all requested information to assist us in the benefit verification process.

We ask that you make every effort to keep your appointments. Missing an appointment disrupts proper sequencing of care and delays completion of your treatment. If you need to reschedule your appointment, please call us at least 24 hours prior to your visit. We reserve the right to assess a charge for a broke appointment.

We very much appreciate your confidence in us and look forward to meeting with you!

Sincerely,

John A. Battle, III, DMD
